This is an e mail message from Pat Gochmour received November 22, 2003, concerning ownership and control of SUMMO USA, the operator for the Lisbon Valley Project.

Paul:

Here are the particulars for Names and ownership at Lisbon Valley.

Lisbon Valley Mining Company LLC, which holds the claims and permits at Lisbon Valley, is a limited liability company formed in Utah with two members: Summo USA Corporation and Summo Minerals Corporation. Summo USA is a wholly-owned subsidiary of Summo Minerals Corporation, and is incorporated in Colorado to do business in the United States. Summo USA is the manager of Lisbon Valley Mining Company LLC.

In June 2002 Summo Minerals Corporation changed its name to Constellation Copper Corporation.

There has been no change of ownership, just a name change at the corporate level.

Please call or E-Mail if you want any more information.

Pat G.!
